

MonashLink's Vision

MonashLink will be a leader in community health, working collaboratively and responsively to provide the highest quality services that will improve the health and wellbeing of the community in and around the City of Monash.

MonashLink's Values

Quality: To provide excellent services that exceed our clients' expectations of us, comply with the highest professional standards in all aspects of our activity, and empower our clients to optimise their own health and wellbeing.

Leadership: To be agents of social change, embrace innovation in promoting and improving community health and wellbeing and advocate for and build trust amongst our community and our partners.

Accountability: To be responsive and responsible to our clients, the community and other stakeholders in all aspects of our activity.

What do we provide?

MonashLink provides a range of health, counseling and support services to people living and working within the City of Monash. Not all programs are restricted by boundaries, though some programs have eligibility criteria. To be eligible for our services, you have to live, work or study within the City of Monash and be able to present a Health Care, Pension or Student Card.

Health Services

It is our aim to provide a quality health service to those in need of health care and who are eligible for our services including:

- Community Health Nursing
- Dietetics
- Occupational Therapy
- Physiotherapy
- Podiatry
- Speech Pathology
- Children's Services
- Dental services
- Counseling services

What will it cost?

MonashLink is a non-profit organisation receiving funds from a variety of government programs. MonashLink is required by the Victorian Department of Human Services to charge a small fee for some services, depending on circumstances.
